## CRETAN TSIKOU디아 MOSCHATO SPINAS

Tsikoudia Moschato Spinas is a product of traditional distillation and is produced exclusively from selected grape marc of the white variety Moschato Spinas that is cultivated in our privately owned vineyards.

### › DISTILLATION

The grape marc is distilled into traditional discontinuous pot stills in a slow process where only the heart of the distillate is collected.

### › ORGANOLEPTIC CHARACTERISTICS

Crystal in the appearance, with intense muscat aromas combined with notes of white stoned fruits. Rich flavor with characteristic presence of bergamot in the aftertaste.

### › CONTENT IN ALCOHOL

38% Vol

### › PACKAGING

Glass bottle of 200ml & 500ml
