AVGI Assyrtiko - Malagousia

Varietal Composition: Assyrtiko 60%, Malagousia 40%.

Organoleptic characteristics: Lemon with green hints. High intensity of fresh tropical fruits, peach and green apple. Concentrated wine with structure and refreshing acidity, with fresh fruit flavors and an elegant lemon aftertaste.

Harmony of taste: Seafood appetizers, green pestos and deeps, sushi, strong white and salty cheeses.

Served at: 10-12°C
